

MD Handgun Qualification Course by PTPGun

Introduction:

In the state of Maryland, it is mandatory for anyone who wants to purchase or possess a handgun to have a Handgun Qualification License (HQL). The first step in obtaining this license is to complete the Maryland Handgun Qualification Course (HQC). PTPGun, a reputable firearms training company based in Maryland, offers this course to individuals who want to legally own a handgun in the state.

What is the Maryland Handgun Qualification Course?

The Maryland Handgun Qualification Course is a training program that is designed to educate individuals on handgun safety, Maryland gun laws, and the fundamentals of shooting. The course is mandatory for anyone who wants to obtain a Handgun Qualification License (HQL), which is a requirement for owning or purchasing a handgun in the state of Maryland.

What does the course cover?

The Maryland Handgun Qualification Course is a comprehensive program that covers a wide range of topics related to handguns and their use. Some of the topics covered in the course include:

Firearm Safety: The course teaches participants the basic principles of firearm safety, including safe handling, storage, and transportation of handguns.

Maryland Gun Laws: Participants will learn about the state's gun laws, including regulations for purchasing and possessing handguns.

Handgun Fundamentals: The course will cover the fundamentals of handgun shooting, including stance, grip, and sight alignment.

Live-Fire Training: Participants will have the opportunity to practice their shooting skills on a live-fire range, under the supervision of an experienced instructor.

Written Exam: At the end of the course, participants will take a written exam to test their knowledge of the course material.

Who is eligible to take the Maryland Handgun Qualification Course?

Anyone who is at least 21 years old and wants to purchase or possess a handgun in the state of Maryland is eligible to take the Maryland Handgun Qualification Course. However, individuals who

have completed a certified firearms training course that meets the state's requirements may be exempt from the course.
