

# What are the best books of panchatantra story in english?

This can be regarded as a very popular question among a lot of parents out there who are thinking about introducing these amazing stories to their kids. These stories are truly awesome and no matter how old you are, you will always enjoy reading them. Here, we will be discussing where we can access the [panchatantra story in english](#). As we all know, these stories are very popular and we can access them very easily with the help of the internet. But, in the case of the small children, we always prefer hard copies. These stories are mostly available in regional languages. But, now-a-days, parents prefer these stories in English. This will help the kids in developing their reading skills. So, without further delay, let's see where we can get these stories in English.

## 108 Panchatantra Stories for Children (Illustrated) by Maple Press

This can definitely be regarded as an excellent source of the **panchatantra story in english**. As the title indicates, this book contains 108 stories. This book is available at most of the notable book stores. In addition to that, the parents can also get this book on several websites such as Amazon, Flipkart, etc. The price of this amazing book is Rs. 160/- and if you purchase this book online, then you will be getting additional discounts. Thus, buying this book online will save you a lot of money. The publishing house, Maple Press can be regarded as an independent family-run firm. It was launched in the year 2014 and their main mission is to inspire, inform, and excite the children of today and the future. They also strive extremely hard to develop children's literature by publishing high-quality books that are affordable too.

## Pandit Vishnu Sharma's Panchatantra, the best **panchatantra story in english**

This can also be considered as one of the best options for all the kids out there. Like the previous one, this book is also available on a number of online platforms. But, this one is a bit costlier compared to the former book. Its price is Rs. 999/-. If you are buying this book online, then you can get up to 25 percent discount. This book contains illustrated tales from ancient India and is indeed very fascinating. This book has been published by Wonder House and their dedicated team of editors and designers work hard to create magnificent and enriching children's books that help in the cognitive development of the kids. In addition to that, their team pays special attention to develop age appropriate content. They also perform extensive research on every topic that is present in the book. Their only mission is to develop content that is highly informative which will help the children to master different skills. Thus, it is appropriate to say that the kids will surely love this book.

## Conclusion

Thus, from our discussion of the topic, "best books of **panchatantra story in english**", it can be concluded that there are a number of books that are currently available which presents the ancient panchatantra folklore stories in English language. Here, we have discussed in detail about two of such books. These include 108 Panchatantra Stories for Children (Illustrated) by Maple Press and Pandit Vishnu Sharma's Panchatantra. Both these books are amazing and if the parents are thinking about buying Panchatantra books for their kids, then they can definitely consider these two books. An essential advantage of the former book is that it is much more affordable compared to the later. Thus, if you are looking for affordable options, then you can definitely go with the first option. But, if you are not concerned about the price, then you can consider getting the book, "Pandit Vishnu Sharma's Panchatantra".
