

Company Profile

KIRIN JEWELRY

About Us

Manufacturing Responsibly

Kirin Jewelry Company was built in 2006, including two offices and four production buildings with 650 craftsmen.

Our main product is 925 sterling silver jewelry, solid gold(10k/14k/18k) jewelry, and brass jewelry with gold plating.

Our main market is America, Europe, and the Middle East. In this 16 years, our annual sales have been rising steadily.

We are grateful for all our clients around the world, who continuously inspire and motivate us to create consciously.

KIRIN JEWELRY

Founders of Kirin

Lion & Lily

Lion and Lily engaged in the jewelry industry since 1992. At first, they worked for a jewelry manufacturing factory belonging to a Taiwanese boss with 14 years.

In 2006, the Taiwanese boss closed the factory. Because of their 14 experience in making jewelry and management status, also with the Taiwanese boss's support, Lion and Lily decided to establish their own company, Kirin Jewelry.

Lion and Lily have always insisted on realizing the company's vision, with 16 years of development, Kirin has developed from a small workshop to a group with 4 production buildings and 2 offices.

Lion and Lily hope Kirin can become a century-old enterprise.

Company Timeline

Disney International Labor Standards Group

CORRECTIVE ACTION PLAN ACKNOWLEDGEMENT REPORT

The Corrective Action Plan Acknowledgement Report (CAPAR) will be used to summarize the preliminary facility audit findings and a draft corrective action plan that both the auditor and the facility representative believe is reasonable to ensure conformity with the Disney Code of Conduct for Manufacturers (Disney Code of Conduct) and applicable local laws.

The form should be used in the following manner:

- Document preliminary facility audit findings on the form below prior to the closing meeting;
- Then use the form as an agenda during the closing meeting;
- During the closing meeting, explain the preliminary facility audit findings with the facility representative;
- Document the corrective action plan;
- Both auditor and facility representative should sign and date the form.

Please leave one copy of the CAPAR with the facility representative and retain one copy with the working papers.
